Small Group Discussion

1. Read **Acts 27:13-44**. What do we learn about God from this story? What are some things we learn about man from the story?
2. What does it mean to you to have a faith that travels through life's storms?
3. Have there been moments in your life where you've felt your faith tested like Paul on his journey?
4. What steps can you take to ensure your faith remains strong during times of uncertainty?
5. Discuss how God’s plans are so much better than ours, while considering some of what took place in Paul’s life. During the two years mentioned in **Acts 28:30**, Paul wrote Ephesians, Philippians, Colossians and Philemon. Read Paul’s perspective in **Philippians 1:12-14** and look at how God used it all in **Philippians 4:22**.
6. How can we use the challenges in our lives to trust God and glorify Him, especially in the hard times?
